## SUMMARY

Experienced film and television producer and director with a strong background in the creative and business aspects of production. Proficient in project planning and management, budgeting, and team leadership.

Produced and directed a variety of projects including documentaries, television shows, digital media, and commercials.

Worked with clients in the Middle East and devised strategies to create new revenue streams and cut operational costs.

I have a lot of experience in television and video production, with a focus on project management and creative development. I have worked on a variety of programs and campaigns for different clients and networks, including BBC, CBC SOFRA, CNN, JSC Network, and Al Jazeera.

In addition, I worked with clients such as Pepsi, Vodafone, and Jeep.

I have demonstrated strong skills in project planning and management, budgeting, and team leadership.
